🗨️ Is God still doing miracles like we read about in the Bible?

🗨️ Can I be used to heal the sick & raise the dead? 🗨️ Can I prophesy & speak words of knowledge? 🗨️ How can I encounter God through worship & prayer? 🗨️ I want to experience & know God in a real way!

## DISCIPLESHIP

Whether you have known the Lord for a few weeks or many years, these eight weeks will be an exciting adventure as you encounter the power, presence, and love of our living God. He desires a personal relationship with each of His children, and that is what this spiritual formation class facilitates.

In the Gospel of John Jesus said, “My sheep listen to my voice; I know them, and they follow me.” (John 10:27) Learning to recognize the voice of the Lord is the first step to developing a relationship with the Lord. Maybe you have never heard His voice before. You will. Possibly you know His voice quite well. We believe this class will help to expand the ways you recognize Him speaking.

Two powerful keys to developing intimacy with the Lord are prayer and worship. Both will be explored and exercised. *Prayer* is meant to be an interactive two-way conversation with your Father—an exchange that can happen all day long.

*Worship*, too, is a both a corporate and personal act where you can experience intimate relationship and the manifest presence and of the Almighty God.

*Healing the sick* is also a normal part of the Christian experience. True biblical discipleship is doing what Jesus did. Jesus says, “He who believes in Me and the works that I do, he will do also; and greater works than these He will do; because I go to the Father.” (John 14:12) You will learn and practice a simple model to help build your confidence in healing the sick.

Moreover, Paul instructs us to be eager for the spiritual gifts, especially that you may prophesy. You will learn how to receive and give *words of knowledge*. This gift is available for all believers.

It is our prayer and belief that during these two months you will get to know and experience God in a real and supernatural way.

Blessings, Jarred D. Fenlason, D.Min
